Case No. 18-14820-CMA
Chapter 7

DECLARATION OF SAMIA EL-
MOSLIMANY

12 Samia El-Moslimany (Debtor) hereby declares under penalty of perjury as follows:
13

- 14 1. I am the debtor in this case. I make this declaration on my personal knowledge.
15 2. I am a 50% owner of the real property at 2655 SW 151st PL, Burien, WA 98166
16 (the "Property"), legally described as Lot 12, Seahurst West, and according to the
17 plat thereof recorded in volume 80 of plats, page 45, records of King County,
18 Washington. The Property is my principal residence. My mother, Ann El-
19 Moslimany, owns the other 50% interest and also resides in the Property.
20 3. I believe the gross value of the Property is \$1,130,000. This is based on my
21 knowledge of property values in the immediate neighborhood, and on the fact that
22 the property has about \$110,000 of long-deferred maintenance that would have to
23 be done to sell it (such as exterior and interior painting, sheetrock repair,
24 installation of a stairway railing, and so forth). An appraisal in November 2010
25 put the value of the Property at \$900,000. One-half of the gross value is \$565,000,
26

1 but this is without discount for the fact that I own a fractional interest in the
2 property.

3 4. The encumbrances against the Property include the first mortgage to
4 Washington Federal Savings & Loan, in the amount of \$355,436.76 and a second
5 deed of trust in favor of Aziza Alyousef securing a debt in the principal amount of
6 at least \$574,536. In addition, Aziza Alyousef continues to advance funds to me
7 for living and litigation expenses.

8 5. Aziza Alyousef is a friend of mine. We have both been active in, and
9 prosecuted for, our activities relating to women's rights in Saudi Arabia. Whereas
10 I was arrested and temporarily detained for driving, Aziza was imprisoned for
11 eleven months.

12 6. Because of our friendship and mutual interest in women's rights, Aziza began
13 to assist me with loans to meet my expenses. These expenses included but were not
14 limited to:

- 15 a. Legal defense expenses (not all, but some) for Hayat Sindi litigation
16 against me in Saudi Arabia and the United States.
- 17 b. Legal prosecution expenses for a domestic violence case in Saudi Arabia
18 I brought against my husband, in which I prevailed.
- 19 c. Islamic divorce and spousal support court expenses
- 20 d. Living and travel expenses (not all).
- 21 e. Some medical expenses for my mother who fell ill with cancer in June
22 2016
- 23 f. Payoffs of a few of my creditors in Saudi Arabia
- 24 g. Business expenses for my photography studio, including rent and
operating expenses
- 25 h. Payroll debts to some my studio employees
- 26 i. Expenses related to an attempt to establish a branch of my studio in
Riyadh

8. Aziza has loaned me least \$574,536 (SAR 2,154,511). The bulk of this debt

1 is documented by three promissory notes, one made at the Saudi Ministry of Justice
2 for the amount of SAR 1,300,000 (this Note also exists in an English version for
3 the equivalent amount of US \$346,666. Both the Arabic and English versions of
4 these notes are dated September 1, 2016). That first promissory note secures future
5 loans as well. There is a second promissory note in the amount of \$100,000 dated
6 May 28, 2017, and a third for the amount of SAR 100,000 (\$26,666) dated July 25,
7 2019. The three promissory notes are attached hereto as EXHIBIT A.

8 9. As set forth above, Aziza has loaned me \$574,537, of which \$472,847 is
9 reflected by written notes. In addition, she loaned me at least \$25,000 in cash, and
10 \$76,690 by wire transfer. EXHIBIT B shows wire transfers to my account and
11 sometimes to the account of my daughter because my bank accounts had been
12 frozen in Saudi Arabia and the US (I still do not know why Key Bank froze my
13 account. My accounts in Saudi Arabia were frozen by the Saudi government due
14 to litigation I am in). Aziza also helped to pay my attorney's fees. Attached is a
15 wire transfer to my attorney Don Bailey's trust account in the amount of \$12,000
16 EXHIBIT C.

17 10. I am a dual U.S. - Saudi citizen. I have been in Saudi Arabia for much of
18 the post-petition period, attending to business and litigation there, and serving a
19 short jail sentence as a result of revealing Sindi's extramarital relationship with my
20 husband (although my statements were true, truth is no defense to defamation in
21 Saudi Arabia, and one can be jailed for defamation). The litigation has made
22 communicating with counsel and assembling documents more difficult than usual,
23 justifying additional time to respond. Because of my legal troubles in Saudi
24 Arabia, my bank accounts there were frozen. It has been extremely difficult for me
25 to gather the bank records.
26

1 11. As additional evidence that Aziza's loans to me are real, I point out that
2 for several years, I have had no income. Yet, until I filed bankruptcy, I kept up my
3 mortgage payments (which were paid in cash for an entire year) and I have paid all
4 my Saudi legal fees, large amounts for my Boston attorneys, my frequent
5 international travel, and utilities and living expenses. The only source of funds for
6 these expenses was loans from friends and family, chiefly Aziza.

7 12. To give Aziza security for the loans she had made, and would make in the
8 future, my mother and I granted her a deed of trust that was recorded on November
9 7, 2016 under recording number 20161107000004. The deed of trust covers the
10 promissory notes described above, and future advances.

11 Declared under penalty of perjury under the laws of the State of Washington and
12 the United States of America, this 2nd day of August, 2019, in Seattle, King
13 County, Washington.
